

Travelling north from the AP7

Travelling on the AP7 from Barcelona, you should exit at Girona North (Exit 6). This exit (C66/A26) has Banyoles, Besalu and Olot signposted also. There is a toll charge at the exit which is approximately €1.65 if you entered the AP7 from Girona Airport (tolls can be paid by credit card or with cash)

After leaving the toll booth at Girona North you should follow the signs for Banyoles Besalu and Olot.

On the approach to Banyoles you will observe an overhead sign for Besalu and Olot, move into the left lane towards Besalu and Olot before the road splits.

Continue on the N260 following signs for Olot leading you onto the A26 motorway. Take the exit for Argelaguer/Tortella (Exit 69) off the A26. Proceed into the village of Argelaguer, turning right just after the restaurant 'El Cafe'. (See picture on left).

Proceed following signs for Tortella. As you enter Tortella, you will see the main village on the hill to your left. Take your second right turn, signposted Sales de Llierca.

Coming up the hill into the district of Sales de Llierca, the road will curve to the left passing a set of postboxes on your right. Proceed forward following signs for Can Crunayes. When you reach Can Crunayes, there is a path to the right of the house which will bring you to the entrance of Can Lledoner.
